NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier has served should be given on the back.

NOTE 2.—An enlistment binds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, or the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the enlisting officer.

Sir

At the request of
Spencer I make the following state-
ment. During Spencer's residence in
Ct. Lt. J. H. May, Vols. in the 29th of Nov.
1864. While said Regt was at Cape
Mansfield Me., a special order was ob-
tained from Maj. Gen. Grierson then in
command of the operations of the Wipipipi
to attach to said Regt a Battalion of
Sharp Shooters consisting of two Companies
to act as flanking companies and Kir-
kistons and to be commanded by a
Junior Major. After the mustering in of
one of said Companies in pursuance of
said order and after the arrival of a
portion of the second one for the
same purpose it was ascertained that
such an organization would not be
recognized by the War Department and
the men composing the same would not
be members of such Companies main

any pay a allowance to have some
for service already rendered more fairly
settled. Most of the men thus
indicted being desirous of remaining in
the service and the old organization
containing many who were ^{of} efficient
as soldiers it was ordered by Col M. I.
Smith Commanding the Mo. and I think
by the Authority of Maj Gen C. J. Smith
then Commanding at Paducah upon the
1st was then stationed — to take the
necessary steps towards procuring the discharge
of as many of the different Companies as
were unfit for service for the pur-
pose of replacing them with the men
unprofitably enlisted. This arrangement
was complied with as far as possible
and the original ten companies filled
up to their maximum number. Said
Spencer was reported as one who dischar-
ged but for some reason which I do
not know the proper certificates were
never issued in his case. His place in
the Company had however been filled
on the strength of his acceptance, dis-
charge, and the Company then ^{by his adjutant} numbered
101 men without him. Col. Smith
instructed My Orderly Sergeant to

drop him from the rolls and report
same "dropped in Excess of Quotation"
This instruction was complied with &
said Specimen was told that he was
no longer a member of the Can
pany and was, naturally, as he wished
to be discharged — left the service.

Very Respectfully, &c

Sir:

As per request I enclose
Statement of traveling expenses incurred in
July. I discover there are only two of these
accounts & being in the habit of signing
triplicate I have signed another & enclose
which you can fill up if necessary -

The Spencer mentioned in friend Lane's letter
has reported himself for information or duty
if necessary - He stands in nearly the
same position of the prisoner which
you will receive to day by Mr. Hauser -

It seems to me an officer does great in-
justice to a soldier to say to him after
being mustered in & serving for months that
he is no longer a soldier without giving
him his discharge papers to prevent him
from being arrested - I do not understand
even in Mr. Spencer's case, or any other,
where they acknowledge they have been
in the service & produce no discharge that
I can avoid arresting them, no matter
how favorable they may report, or even
prove their innocence. Consequently I refer
the matter to your consideration, and

shall arrest all such on every occasion
to danger of Spencer's kidnappers & think
Am keeping him for valuable information
in the arrest of some others in the
South part of the country, which he
says he informant - act - to me.

Yours Respectfully

NOTE 1.—This blank will be used for both enlistment and re-enlistments—enlistment of veterans, &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds no service. A muster-roll must, in all cases, precede payment of pay, bounty, pension, &c. A muster-roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

No. 10 Quarters 8th Regt. M.: Volt

Youngs Point La April 28th 1863

I respectfully ask a leave of absence for the space of twenty days to visit my home to recruit my health. I am unfit for duty of any kind, and will be in the opinion of my Surgeon for the next thirty days, from a severe attack of inflammation of the lungs. I have not been absent for a day from my company during nearly two years of service, and would not ask it now but for the state of my health.

I am very respectfully your obt. servt.

Alongs I Starting 1st Lieut. Co (B) 8th Regiment M. Vol.
Infantry having applied for a Certificate on which to ground
an application for leave of absence, I do hereby certify
that, I have carefully examined this officer, and
find that he is suffering from a severe attack
of Pneumonia, which has confined him
to his bed for the last ten or twelve
days, during which time he has been under
my treatment, and that, in consequence
thereof he is in my opinion unfit for duty.
I further declare my belief that, he will not
be able to resume his duties in a less period
than twenty days, and I would earnestly
recommend that he be permitted to
go North, as I firmly believe a change
of climate is absolutely necessary to prevent
permanent disability.

War Department,
Adjutant General's Office,

Washington, July 7th, 1865.

Sir:

In reply to your letter requesting a Descriptive List of W. H. Stout, a Sergeant in Company "C", 8th Regiment Me. Volunteers, I have the honor to furnish the

following "Descriptive List," obtained from the records of this Office; which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT. DESCRIPTION, &c.

Wm. H. Stout, Sergeant in Company "C", 8th Regiment of Me. Volunteers, is

years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the 1st day of Jan., 1864, at the town of Bellefonte in the State of Pa. by Lt. Erno and mustered into the service of the United States on the 2nd day of Jan., 1864, at the town of Larkinsville in the State of Ala. by Lt. Dickey to serve for the period of three years or "during the war." (U.S. vol.)

ACCOUNT OF PAY.

It is noted on the Muster Roll of his Company for the months of March & April 1865 that he was last paid by Paymaster Wm. Griffin on the 31st Jan., 1864. 340.00 Pay due from Jan. 31/64

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained at all from his Company Commander.

REMARKS.

(On the above Muster Roll (dated in file) a Sgt. Preserved Mar. 11 1865)

Very respectfully,

Your obedient servant,

B. J. E. Bernville
Col. Me. I. R.
Benton Parachute

Assistant Adjutant General.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statement, should be returned with a statement to that effect by the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that this list is incomplete or "partial."

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in will stand, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in will not, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, in the case may be, will communicate both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Adjutant General's Office,

Washington, April 24, 1863.

Sir:

In reply to your letter requesting a Descriptive List of William Tucker, a Private in Company "A", 8th Regiment Missouri Volunteers, I have the honor to furnish the following "Descriptive List" obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

William Tucker, Private in Company "A", 8th Regiment of Missouri Volunteers, is 22 years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the 1st day of September, 1861, at the town of Almora in the State of Illinois by Capt. D. T. Grier, and mustered into the service of the United States on the 21st day of September, 1861, at the town of Saint Louis, in the State of Missouri by Capt. Albert Tracy, to serve for the period of 3 years, or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of July 12th 1864 that he was last paid by Paymaster Fidler to the 31st day of June, 1863.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing: it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

On the Muster Roll of his Co dated July 12th 1864 he is noted "Transferred to Co 'H' pursuant to Gen III Circular 36. A. G. O. May 2nd 64. His name is not found on any Rolls of Co 'H' on file in the Office - no later record."

Very respectfully,

Your obedient servant,

Samuel Pack

Assistant Adjutant General.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this office. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of those muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."
